

St. Sebastian Catholic School

The mission of St. Sebastian Catholic School is to provide a Christ-centered environment where Catholic values, faith formation and academic excellence are instilled in the lives of students.

Dear Friend of St. Sebastian Catholic School,

Since 1952, St. Sebastian Catholic School has been dedicated to providing an outstanding education to over 30,000 local young people. Our school strives to provide our elementary students with not only academic knowledge, but with strong values and strength of character. Our students are active participants in the local community and beyond; having gathered donations for homeless veterans, making jack-o-lanterns for local hospitalized children, providing books and pajamas for children around the country, collecting food for our food pantry, and other service projects.

On March 10th, 2018 we will be hosting our Annual Auction and Dinner Fundraiser. The proceeds from this event allow us to maintain affordable tuition costs for our families, as well as provide our students with the up to date learning technologies that are so important in today's educational environment. Funds from this auction will allow us to provide funding towards upgrading our computer lab, updated smart board software, as well as advance towards our goal of updating our HVAC system in the school.

This year, approximately 350 community members will be joining us for our 1950s inspired event "At the Hop". The evening includes a fully catered dinner, DJ, raffles, as well as both silent and live auctions. We would love to include your business as one of our donors, advertisers or sponsors. We gladly accept donations of merchandise, cash, gift cards, event tickets/passes, etc. I have included a donation and sponsorship form on the reverse, and our tax information can be found at the bottom of this letter for your convenience.

Once again, thank you for your time and please feel free to contact me with any questions or concerns at 313-516-7682 or saintsebastianauction@gmail.com. We would be so grateful if you could join us as we work to enhance our students' learning environment.

Sincerely,

Rebecca Atherton

Auction Committee Chairperson
